

Cisco Capital Customer At-A-Glance 3 Month Deferral

Acquire the technology you need today, and pay for it later!

Adopting new technology helps ensure your company is as competitive, profitable and efficient as possible. Cisco Capital financing allows you to acquire Cisco solutions without a large upfront cash investment. We are helping to make it even easier and more affordable to secure the technology your business needs with no payments or interest for the first three months.

Support your business' technology needs on your own terms and timeframe-not the ones dictated by your budget.

Offer Details*

Turn a large upfront investment into predictable monthly or periodic payments with this special offer:

- 3 months free from payments and interest
- Available for all Cisco hardware, software, and bundled services
- Applies to all \$1-out and FMV financing
- 3 months included within term
- U.S. and Canada customers eligible
- Offer valid through July 28, 2012

* Customer eligibility and terms subject to final Cisco Capital review, approval and documentation, and not to exceed over \$30M per customer during the offer period. Interest charges and payments deferred for ninety days and such deferral period is included within the financing/lease term. This offer can only be combined with the low-rate Multi-year Service Contracts Financing offer. Cannot be combined with any other Cisco Capital offer. This offer expires July 28, 2012 and may be modified or withdrawn by Cisco at any time without notice. Cisco and Cisco Capital do not provide tax advice to customers. Any tax or accounting treatment is the sole responsibility of the customer.

Take advantage of the unique benefits that Cisco Capital offers:

- **Preserve cash** and reallocate resources to other business priorities
- **Flexible financing structures and terms** allow you to get the right solution on your terms
- **Captive finance rates and residuals** help to reduce your total cost of ownership
- **Align project costs** to technology benefits and accelerate ROI
- **Built-in migration options** to refresh equipment as your business requires and manage lifecycles
- **Total business solution financing** for Cisco equipment, software, services, partner services and complementary third-party equipment

About Cisco Capital

Cisco Systems Capital Corporation ("Cisco Capital") is a wholly owned subsidiary of Cisco Systems, specializing in providing innovative financing options for Cisco products and services worldwide. Cisco Capital is part of Cisco's total solution, bringing a deeper understanding of Cisco products, services and customer business requirements than banks and outside financial institutions.

More than just a finance company, Cisco Capital is uniquely positioned to provide the most flexible and competitive financing for your acquisition of Cisco technologies. Cisco Capital delivers financing solutions designed to support our customers' business goals and technology needs, both today and in the future.
